AKES-TO-GULF CANAL

OPPOSED BY GOV. MILLER BAVANNAH, Ge., Nov. 17.-Gov. Nathan L. Miller, of New York, in a CHICAGO GAS COMPANY speech before the Atlantic Deeper Waterways Convention here yesterday, declared the proposed St. Lawrence ship canal, linking the Great Lakes with the Atlantic Ocean, to

be impractical and said that it would idvert shipping from American ports to those of foreign countries.

Governor Miller scored "insidious propaganda" in favor of the canal and said that \$100,000 was being used to force the hand of Congress in acting to authorize starting the water-way. The canal would require one-

The Commercial Romance of 1921

THE human race took a long step forward when this country made it respectable for a man to earn his own living.

Today, if Americans couldn't talk business at lunch, most of us would prefer to go off and eat by ourselves.

Even at social gatherings, men man-

age to drift together for some touchand-go business gossip to finish the day.

Probably your own boy, long before he is able to vote, feels the national instinct to start something.

American characteristics that may explain in part the peculiar public interest in the New Improved Gillette.

All the circumstances surrounding the New Improved Gillette stir a man's feeling for commerce.

The radical new invention. An improvement so basic that nothing in the Patent Office contained even a hint of its slightest detail.

The courage to put this new

the Gillette public. 600,000 New Improved Gillettes in America. Nearly 400,000 to England, France, Holland, Belgium, Denmark and Italy. And thence to the remotest parts of the earth.

Night-shift production in the Gillette Factory, meeting the demand as it doubled, and doubled again.

You may often hear it said that "The way this New Gillette is going over reads like a romance."

Times may fluctuate. Human beings do not.

The reward is still to the pioneer.

Pioneering in the field of enlarged service to men in their restless human ambition to go forward.

Important about the New Improved Gillette-A word about the Blades

Most men prefer to screw the razor up tight to get the most satisfactory shave.

Gillette deems it proper to ask the public to use Gillette Blades only in genuine Gillette Razors.

The Gillette Blade and Gillette Razor are developed to work together. No Gillette Blade can deliver its full shaving quality unless used in a genuine Gillette Razor - built by Gillette, in the Gillette way and up to Gillette standards.
